

Last but not least, **the 2025 MICHELIN Young Chef Award**, which recognizes the already highly accomplished and promising culinary signature of a young talent, goes to **Serhat Dođramacı** at the Green Star **Mezra Yalıkavak** restaurant in Bodrum. Winner of the Master Chef Türkiye 2020-21 competition, Serhat Dođramacı combines traditional Turkish flavors with particularly bold culinary techniques (cooking almost exclusively over wood fires or hot coals), projecting his creations into a very assertive gastronomic universe. His defense of the terroir, his respect for produce and his commitment to the restaurant's own farm have also made him a source of inspiration for a whole generation of chefs.

All the restaurant recommendations in the MICHELIN Guide Istanbul, Izmir, Muđla can be found free of charge on the MICHELIN Guide website and mobile applications. On these platforms, travelers can also access the MICHELIN Guide's hotel recommendations and book their upcoming stays.
